

## **Impact of School PE Funding 2017/2018**

At Manorside Academy we promote the importance of sport in our school. We believe that sport enhances the lives of our children by teaching them to be active and healthy and live a healthy lifestyle. Sport also teaches children morals when following rules and developing sportsmanship. The social aspect of school and learning is also met through sport in team games. With this funding we have aimed to improve the provision of PE and sport in our school. Our funding statement shows how we spent the funding in **2017/2018**.

The Sports Premium Funding has allowed us to improve the quality of our PE provision. The school received **£16,000.00** and we have spent that on ensuring high quality PE and health education across our school. ### **Impact of Funding:**

Within the playtime provision, pupils have been playing small-sided games and learning how to win and lose appropriately. Children have also participated in both competitive and friendly matches with other junior and primary schools in the local area.

Manorside Academy is proud to offer our children a wide range of extra-curricular activities which are led by our Curriculum Enrichment Leader. The vast majority of our clubs are run free of charge and include not only sports clubs designed to engage children further with team games but also clubs that celebrate the creative arts and those which further a love of learning. Currently the extra-curricular clubs on offer to all pupils, free of charge, are: Adventure, Athletics, Wheels, Lego, Ball skills, Cricket/Rounders and ICT. The children can also take part in the following clubs for a small charge: Street Dance, Football, Archery, Cooking, Tag rugby, Craft and Tennis/Volleyball. These clubs are very popular with our children and during 2017-2018, 82% of our Key Stage 1 children participated in a club and 78% of our Key Stage 2 children participated in a club.

In addition, Manorside Academy has maintained links with local community sports including Dorset County Cricket Board, AFC Bournemouth, Rossmore Rockets and established new links with Premier League Youth Sports Trust, Longfleet Youth FC, Olga Poole, Wessex Volleyball, Poole Town FC and Poole Rugby Club. Over the academic year they have either run taster sessions, provided the school with leaflets, run an after school club or accepted children from our school into their external club provision. This has enabled our children the opportunity to experience and enjoy a wider range of sports, inspiring them with the opportunity to succeed and excel in competitive sport and receive professional tuition at a minimal cost.

Children have participated in both competitive and friendly matches with other junior and primary schools in the local area. During 2017-2018 our children participated in the following competitions and events:

*'Leaders enrich the curriculum with a wide range of activities before and after school. The school has used the additional sports funding to successfully raise the profile of several sports, which have a high take-up...The after-school clubs, including for sports, also have a high take-up and have helped to considerably improve pupils' skills as well as their enjoyment of school.'*
