Our funding statement shows how we spent the funding in **2018/2019** and how we are planning to utilise it in **2019/2020**.

At Manorside Academy we have always promoted the importance of sport in our school. We believe that sport enhances the lives of our children by teaching them to be active and healthy and live a healthy lifestyle. Sport also teaches children morals when following rules and developing sportsmanship. The social aspect of school and learning is also met through sport in team games. Manorside Academy is proud to offer our children a wide range of extra-curricular activities which are led by our Curriculum Enrichment Leader. The vast majority of our clubs are run free of charge and include not only sports clubs designed to engage children further with team games but also clubs that celebrate the creative arts and those which further a love of learning. Currently the extra-curricular clubs on offer to all pupils, free of charge, are: Multi-sports, Athletics, Lego, Cricket/Rounders, Tennis/Volleyball, Yoga and ICT. The children can also take part in the following paid clubs: Fresh Air Club, Mad Science, Cheerleading, Football, Archery/Fencing, Cooking, Drama, Martial Arts and Tag Rugby. These clubs are very popular with our children and during 2018-2019, 75% of our Key Stage 1 children participated in a club and 65% of our Key Stage 2 children participated in a club.

In addition, Manorside Academy has maintained links with local community sports including Dorset County Cricket Board, AFC Bournemouth, Rossmore Rockets, Premier League Youth Sports Trust, Longfleet Youth FC, Olga Poole, Wessex Volleyball, Poole Town FC and Poole Rugby Club. Over the academic year they have either run taster sessions, provided the school with leaflets, run an after school club or accepted children from our school into their external club provision allowing our children the opportunity to experience and enjoy a wider range of sports, inspiring them with the opportunity to succeed and excel in competitive sport and receive professional tuition at a minimal cost.

'Leaders enrich the curriculum with a wide range of activities before and after school. The school has used the additional sports funding to successfully raise the profile of several sports, which have a high take-up. There is a successful breakfast club which has improved the attendance of some pupils. The after-school clubs, including for sports, also have a high take-up and have helped to considerably improve pupils' skills as well as their enjoyment of school.'
