

Pupil Premium Expenditure 2019/20

Pupil Premium was introduced in April 2011, allocated to children from low income families who were eligible for free school meals and children who had been looked after (in foster care) continuously for more than six months. Eligibility for Pupil Premium for 2012-13 was extended to pupils who have been eligible for free school meals at any point in the last 6 years (known as the Ever6 free school meals measure) in addition to the children who have been looked after continuously for more than six months. A smaller amount was also allocated for the children of service personnel.

Schools are free to spend the Pupil Premium as they see fit. They are accountable for how they use the additional funding if there is a gap in progress and attainment between those that have the premium and those that do not.

At Manorside Academy, our core aim is to raise the attainment and progress of students who are eligible for Pupil Premium so that their performance compares favourably with peers who aren't eligible. We aim to address inequalities in education of pupils from low-income families and raise attainment of these pupils. Outstanding teaching and learning is paramount to the progress of pupils from disadvantaged backgrounds and this remains a consistent and relentless focus. In addition to this, targeted intervention and support strategies are deployed in order to:

- Improve levels of attainment and progress
- Close attainment gaps relative to school averages
- Enhance reading, writing, mathematics and communication skills
- Engage and develop learning through a comprehensive extra-curricular provision
- Have a clear focus on all disadvantaged pupils, including those with SEND and more able pupils
- Improve attendance
- Support pupils in becoming aspirational, confident and successful learners.

Total Number of Pupils on Roll	344
Total Number of Pupils eligible for PPG	103 (30%)
Total amount of PPG Grant	£142,560

Strategy	Cost
