MANORSIDE ACADEMY

At Manorside Academy, we are absolutely passionate about all things music. Each class has a timetable music lesson once a week, we have singing assembly run by the amazing Mrs Main each week as well as Christmas performances and our end of Year 6 production. To help with this, we have two music monitors to support the growth of music at Manorside.

Library Monitors

MANORSIDE ACADEMY

As we all know at Manorside, reading is the most important thing that we can do to help us with our education and our future. Reading is important in all areas of our lives and is vital to being successful in the future. In 2023, we had a brand new library installed at Manorside Academy to further encourage reading. To help ensure that our library shows are high expectations, we have 4 monitors to help.

Resilience Reps

MANORSIDE ACADEMY

A number of pupils from Year 5 and 6 have attended Resilience Rep training hosted at Manorside Academy. This programme is designed to build on the Diana Award training to look at how our Resilience Reps can support other pupils to positively manage their mental wellbeing and health. Our Resilience Reps work closely with our Anti-Bullying Ambassadors to apply their training to lead assemblies and support pupils across the school.

With resilience being one of our school values, these pupils take an incredibly active role in promoting this in all aspects of school life.
