ACADEMY

Friday 13th January 2023

Dear Parents and Carers,

I hope you all had an enjoyable and healthy break; it has been a pleasure to welcome the pupils back to school and they have had an incredibly positive start to term. Our new staff have settled well into the school and I have relished the opportunity to spend as much time as possible in the classrooms, seeing the highly engaging and exciting learning that has been taking place during these first couple of weeks back. It has been a busy two weeks and some of the highlights have included; Year 2 Dinosaur Dome experience, the introduction of Anti-Bullying Ambassadors across the school, Nursery experiencing their first PE lesson with the Stars coaches, pupils across the school engaging with their new topics and much more.

Parent Workshops

Thank you to those of you who attended the Curriculum Information Sessions for each year group over the last two weeks, we very much appreciate your support. We also understand that for some parents, it is not possible to make these times and therefore we have added a copy of the PPTs to the website here -

<https://www.manorside-academy.co.uk/curriculum/parent-workshops/> . We hope this is beneficial and if there is anything else you would like a workshop in, then please let a member of SLT on the gate know.

Facebook

This is a reminder that we have set up a school Facebook page www.facebook.com/ManorsideAcademyInfo where you can see all the highlights from the school community including exciting curriculum opportunities, school events, ideas of how to support your children at home and reminders. Please use the above link to follow us so we can share all the exciting things happening at Manorside. Here is a QR Code that you can use to access the page too.
