

With this funding we have aimed to improve the provision of PE and sport in our school. Children have participated in both competitive and friendly matches with other junior and primary schools in the local area. Our funding statement shows how we spent the funding in **2021/2022**.

At Manorside Academy we have always promoted the importance of sport in our school. We believe that sport enhances the lives of our children by teaching them to be active and healthy and live a healthy lifestyle. Sport also teaches children morals when following rules and developing sportsmanship. The social aspect of school and learning is also met through sport in team games. Sporting excellence and participation has always been a very strong focus in our school.

We ensured that the school has a variety of equipment to teach a range of skills and sports, both within the curriculum and through extra-curricular organised activities.

The Sports Premium Funding has allowed us to improve the quality of our PE provision. The school received £19160 and we have spent that on ensuring high quality PE and health education across our school. Below is a summary of how we have spent the Sport Premium Funds and how the Sports Premium is having an impact on the quality, participation, skill development and enjoyment of PE at Manorside Academy. Below is a summary of how we spent the Sports Premium Funding and how the Sports Premium is having an impact on the quality, participation, skill development and enjoyment of PE at Manorside Academy, through the leadership of our Curriculum Enrichment Coordinator.

£14,357.15– Sports provision management

£1,915.97 – Sports equipment

£1,266.88 – Swimming

£1400 – PPG Club funding

We ensured that the school has a variety of equipment to teach a range of skills and sports. Below is a list of equipment that has been purchased in order to deliver PE lessons effectively and for the children to experience new sports:

- Playground equipment
- Athletics/Sports day equipment
- Ball skills equipment

The Sports Premium Funding has allowed us to improve the quality of our taught P.E. education, which has been coordinated by both the school's Curriculum Leader and Curriculum Enrichment Coordinator.

Impact of Funding:

Within the playtime provision, pupils have been playing small-sided games and learning how to win and lose appropriately. Children have also participated in both competitive and friendly matches with other junior and primary schools in the local area.

Manorside Academy is proud to offer our children a wide range of extra-curricular activities which are led by our Curriculum Enrichment Leader. The vast majority of our clubs are run free of charge and include not only sports clubs designed to engage children further with team games but also clubs that celebrate the creative arts and those which further a love of learning. Currently the extra-curricular clubs, linked to Physical Education, on offer to all pupils free of charge are: Tag Rugby, Hockey, Athletics, Lego, Karaoke,

Gymnastics, Yoga, Wheels, Football, Indoor Cricket, Mindfulness, Netball, Bat & Ball, Badminton, Multi-Skills, Multi-Games and ICT.

In addition, Manorside Academy has maintained links with local community sports including Dorset County Cricket Board, AFC Bournemouth, Rossmore Rockets, Longfleet Youth FC, Poole Town FC and Poole Rugby Club. Over the academic year they have either run taster sessions, provided the school with leaflets, offered extra opportunities to pupils e.g. attending matches, run an after-school club or accepted children from our school into their external club provision allowing our children the opportunity to experience and enjoy a wider range of sports, inspiring them with the opportunity to succeed and excel in competitive sport and receive professional tuition at a minimal cost.

We are proud of our sporting achievements at Manorside Academy and during 2021-2022 our children participated in the following competitions and events:

Team Sports

- Football
- Netball
- Hockey
- Cricket
- Athletics

We are also very proud that during our Ofsted Inspection, the inspectors recognised the impact of our PE and club provision:

'Leaders enrich the curriculum with a wide range of activities before and after school. The school has used the additional sports funding to successfully raise the profile of several sports, which have a high take-up. There is a successful breakfast club which has improved the attendance of some pupils. The after-school clubs, including for sports, also have a high take-up and have helped to considerably improve pupils' skills as well as their enjoyment of school.'
