ACADEMY

Friday, 8th September 2023

Dear Parents/Carers,

Welcome back! It has been a pleasure to welcome you all back to school after the summer holidays in this beautiful weather. The pupils all look incredibly smart in their new PE Kits so thank you very much for your support with this. We are really looking forward to watching the pupils grow as citizens and learners over this academic year. Thank you to everyone who has attended the Curriculum Information Session for their child's year group so far, it has been great to share what they will be learning and experiencing this year with you. We look forward to leading more of these next week.

We are going to be carefully monitoring the attendance of all pupils this year to ensure we are doing everything we can to prevent any gaps in your children's learning.

We are also very much looking forward to hearing about how much the pupils have been reading at home. Children across all year groups are going to have the opportunity to share any books they have enjoyed and to make recommendations to their peers so it will be great to hear your child's contribution to this. To develop a love of reading further, we have a beautiful new library for the pupils to enjoy! Please remember to try and read with you child more than three times a week so they have the opportunity to practise their reading skills at home and so they can be celebrated as Reading Champions in Celebration Assembly on a Friday.

Welcome to Miss O'Sullivan (Lower School Phase Lead & Year 2 Teacher), Mrs Evans (Learning Mentor), Scott Walters (Curriculum Enrichment Coordinator), Owen Reynolds (PE Support Assistant), Miss Green (Student Teacher - Year 6), Miss Wanstall (Student Teacher - Year 5). It is great to welcome such enthusiastic and talented staff members to the Manorside Team!

As usual, if you have any questions around anything happening at Manorside or your child's learning, please do not hesitate to speak to a member of SLT on the gate. We are there every morning and afternoon.

Homework

Pupils will have all logins stuck in their planners to ensure they can access the required resources.

Curriculum Information Sessions

Thank you very much to those of you who have attended these. If you have been unable to make it, please be assured that the PowerPoints will be uploaded to the school website by the end of next

Educational Visits

Each year group has received a letter which highlights all the trips and visits your child will experience this year. We have set this out from the start of the year to try and give you as much warning as possible to make payments. We have set up Parent Pay so that payments can be made in instalments to also try and support you in the current climate. Please be aware that payments must be made before the date of the trip as unfortunately, **if we do not receive enough payments, the trips will not be able to go ahead.**

Mobile phones

Please ensure that no recordings are made of either pupils or staff whilst on school premises. Thank you.

Healthy Eating

We want to encourage our pupils to be as healthy as possible therefore please can you ensure that, if you send your child with a morning snack, these are healthy. We also ask that all drinks in school are water please.

Breakfast Club & After School Club

If you want your child to attend breakfast club or after school club, they **must** be booked on by 2pm the day before. If they arrive for this wrap around care and are not on our list, which is finalised at 2pm the day before, they will not be able to attend. This is because we need to ensure the staffing in these facilities meets legal requirement for the adult to child ratios. Thank you for your support with this.
