Edition 2

Dear Parents and Carers

Another great two weeks at Manorside Academy! Thank you to all who came to the bedtime reading session, it was great to see so many pupils enjoying a story and a treat with their teacher and peers in their pyjamas whilst lots of parents attended the reading workshop in the hall. The pupils are enjoying their new topics and are beginning to develop their understanding of these now we are a few weeks in. If you would like to know what your child is learning in each topic then please remember to look at our website - <https://www.manorside-academy.co.uk/curriculum/curriculum-maps/>.

Next week is a busy week at school with Anti-Bullying Week and Children In Need awareness raising, so we look forward to seeing your mad hair, odd socks and spotty accessories.

Best wishes
Miss Sutter

The Sleep Charity

At any given time up to 40% of adults and 50% of children (this rises to 80% with a SEND diagnosis) have difficulties with their sleep. Yet in a recent survey, almost 60% of adults felt there was a lack of support for sleep issues. Sleep problems can leave people feeling isolated and lonely.

Our free helpline is run by trained sleep advisors, many of whom are specialists in working with SEND. We can talk to young people directly, or parents (we can also talk to adults, including older people, about their sleep issues).

The helpline is open 5 times a week, Monday, Tuesday, Thursday evenings 7-9pm, and Monday, Wednesday mornings 9-11am. The number is 03303 530 541.

You can read more here: <https://thesleepcharity.org.uk/national-sleep-helpline/>

Please remember to add your suggestions.

We will be offering a new range of clubs from January. Thank you

Join us for a bumper-packed afternoon of SEND, on Wednesday 22 November from 1 to 3pm at Boscombe Family Hub, 22 Ashley Road, Boscombe, BH1 4PE.

Our friendly team will be on hand to answer questions focusing on the graduated response, educational psychology service and support for those with speech and language difficulties.

What to do if you are worried about how your child is progressing:

- who to talk to
- what to expect
- what it means to have special educational needs and what help should be provided.

I am worried about my child or young person (BCP Council's graduated response) - following co-production with parents and carers we have a brand new booklet and web pages showing how the Local Offer can support your child or young person with their learning and development. Dr Joanna Bispham will be taking you through the process and answering any questions you may have.

BCP Council Educational Psychology Service (EPS) - Vanessa Grizzle, Principal Educational Psychologist will be explaining what the service provides, how they go about it and why. She will be demonstrating their new EP service web pages on the Local Offer so you can understand in more detail how they can support your child or young person.

Support with speech and language difficulties - Christine Rainsford, from Dorset HealthCare Children and Young People's Speech, Language and Communication Service, will be explaining the specialist skills and knowledge they provides to parents, carers and other key people involved in a whole system of support to your child or young person. This covers: speech, communication, language and specific physical needs and she will be demonstrating the 'The Balanced System® Speech and Language Communication Pathway' website which has been designed to provide a personalised journey to help support children and young people and improve their lives.
