Edition 3

Dear Parents and Carers

Thank you to everyone who engaged so well with our 100% Attendance Focus week, it was great to be able to give out over 300 100% attendance rulers, so well done to all those pupils who were in school every day that week!

It has also been brilliant to see how many pupils are reading champions each week. Please continue to read with your child as much as possible at home (4 or more times per week = Reading Champion) as reading is so vital to them developing independence in learning and accessing more of the curriculum as they progress through their education journey.

Best wishes
Miss Sutter

Learning Journeys

The Learning Journey for each year group have been attached with this Newsletter.

UNIFORM CLARIFICATION

We would like to apologise for any unclarity around the expectations of PE uniform and leggings. I would like to make it clear now that leggings are not part of the uniform policy and therefore should not be worn. We appreciate that there has been mixed messages around this though and will therefore not be enforcing this until after February half term.

Thank you for your cooperation with this and apologies again about the mixed messages that have been sent out previously.

In order to support you as parents and to further support attendance at Manorside, we now have Calpol onsite at school which we can administer to the children if they are feeling unwell however are well enough to remain at school. We will always call before administering the medication to confirm that you give us permission and that they have not had any in the 4 hours prior to that time. We will then send you a medical tracker notification with the exact time the medication was given.

If you have any questions about this or would like to further discuss this, please contact the school office.

REMINDERS

The Sleep Charity

At any given time up to 40% of adults and 50% of children (this rises to 80% with a SEND diagnosis) have difficulties with their sleep. Yet in a recent survey, almost 60% of adults felt there was a lack of support for sleep issues. Sleep problems can leave people feeling isolated and lonely.

Our free helpline is run by trained sleep advisors, many of whom are specialists in working with SEND. We can talk to young people directly, or parents (we can also talk to adults, including older people, about their sleep issues).

The helpline is open 5 times a week, Monday, Tuesday, Thursday evenings 7-9pm, and Monday, Wednesday mornings 9-11am. The number is 03303 530 541.

You can read more here: <https://thesleepcharity.org.uk/national-sleep-helpline/>

It is that time of the year again, BCP's Annual SEND Survey.

This is an opportunity for Parent, Carers, Children and Young people to have their say and express feedback on their own experiences. This year the survey is open between the 16th October to 13th December. You can click on the link below for survey forms or complete and return the forms attached to this email.
