

Year 4 Learning Journey
Fortnight Commencing: 27th November 2023

English:

- In week 5 we will be continuing our work on our Greek Myth play scripts.
- In week 6 we will be looking at features of Greek myths and planning to write our own myth.

Maths:

- We will be continuing our work on times tables, starting with 7's and then moving onto 11's and 12's.

Reading:

- We will be reading an extract from the classic Little House on the Prairie by Laura Ingalls Wilder and studying the language used.
- We will also be continuing our whole class reading book 'Beast of Olympus'

Science:

- Children will be identifying different substances melt and freeze at different temperatures.
- Children will use observation to note the melting and freezing point for different substances.

Foundation Lessons:

- In history the children will be creating an information leaflet on either the Greek Gods or Ancient Greek Myths.
- In computing they will be continuing their work on spreadsheets
- In Spanish we will be looking at names of family members and how to introduce them.

Home Learning

Monday – My Maths – Times Table Rock Stars

Wednesday – Oxford Owl/Reading Plus

Daily - Reading

How You Can Help At Home:

Home work is really important. Please make sure your child has read at least 3 times at home during the week. Any children not reading this amount will go to reading club during Friday playtime. Anyone who reads 4 or more times will get extra play on a Friday. This also applies to Maths home work. We are currently focusing on their times tables. Please make sure they are completing their games on Times Table Rock Stars. Any children who have not completed this will have to attend Times Tables club on a Thursday playtime.

Reminders:

Y4's attendance is gradually improving thank you for encouraging your children to school. If your child is reluctant please come a speak to us to see if there is anything we can do.
