How You Can Help At Home over Christmas:

Reading Matters!

- Please read with your child daily and ensure that this is recorded in their planner. Ask them questions about what they are reading to support with comprehension. Remember, parent signatures are required in the planners to evidence their reading and become a reading champion.

Support your child with Mental Maths:

- Times tables are really important, keep testing your children at home. Use Times Table Rockstars! *Please do not allow your child to complete Sound Check—this is to be done in school only.*

Reminders:

Please ensure your child's jumper and water bottle are labelled to help reduce the amount which are going missing. Please ensure correct school uniform is worn at all times.

Attendance really matters. Children who have attendance of 96% and above on the final week of term before Christmas are going to have a special party treat!

Uniform—high expectations. Speak to a member of SLT on the gate if you are unsure of the expectations. Coats are expected to be brought in everyday.
